

U15 SELECT PROGRAM

THE NORTH SHORE WINTER CLUB IS PLEASED TO OFFER A PREMIER HOCKEY EXPERIENCE THAT WILL SUPPORT THE U15 A1 TEAM FOR THE 2022-2023 SEASON:

U15 for players born 2008 & 2009

15 skaters, 2 goalies

Coaches: Cody Campbell & Jimmy Ghuman

The North Shore Winter Club (NSWC) is able to provide a HOME Club advantage with a unique pathway for players and professional skill development. Athletes will be provided the best possible path and development level where players can continue to live at home, play at the highest PCAHA level, enter in prestigious AAA tournaments, attend their school of choice, and experience an affordable 360-degree development model, all while enjoying the benefits of NSWC membership.

The NSWC Select program will provide players with professional coaching, leading to individual development, and exposure at the top level. We will provide each player maximum exposure in order to try to reach their future goals as student athletes through Academy, BC Zone, Junior and/or college levels. We strive to create an environment that will produce well-rounded young hockey players, both on and off the ice. Education, leadership, respect and strong work ethic describe our Select program philosophy. Our players will be equipped with the skills required, to take their game to the next level.

The goal of introducing in-house Select teams at the NSWC is to provide members with a complete and long-term development model, along with a stepping-stone to Academy, Minor and Major Zone hockey options and Junior hockey, that doesn't involve leaving the club or disrupting them academically. The Select teams would be a club program operated by the NSWC hockey department.

- This is a six-month intensive hockey program.
- The Teams will participate within the PCAHA League at the A1 level and augment the existing schedule by participating in U15 AAA tournaments (55 – 60 games).
- Players choose to attend any secondary school, and does not require the Peak program option.
- 65 – 70 of practices and on-ice skill development lead by highly qualified professionals.

- 45-50 hours of dry-land training to improve strength and flexibility, lead by a dedicated Strength & Conditioning coaches in the NSWC High Performance Training Studios.
- Access to the club's medical personnel and wellness practitioners.
- On-ice video analysis and review.

BENEFITS OF THE NSWC SELECT PROGRAM:
